“Suffering For Our Sanctification And His Glorification”

1 Pet. 4:12-19

Reflection & Discussion

1. What does it mean for a Christian to “rejoice in the Lord”?
2. Peter repeatedly encourages believers through their *suffering*:
 - a. Through the end of chapter 4, what have been some of his key *reasons* Christians must endure through their suffering?
 - b. What other Scriptures instruct/encourage you in your suffering?
3. Describe what it means to “entrust your soul” to God.
