Reflection & Discussion

1. Peter speaks of Jesus’ *certain coming kingdom*:
 - a. How does *certainty* of a future kingdom (led by Jesus) inspire God’s people in their present circumstances?
2. The Bible is God’s *written revelation*:
 - a. Along with 2nd Timothy 3:16-17, what other passages confirm this truth?
 - b. How would you respond to being challenged with: “How can you know for sure that your Bible is inerrant?”
3. Have an open discussion on 2nd Peter chapter 1 (What doctrine stood out? What exhortation is most challenging for you? What have you been inspired to change in your life? ...etc.)
