Reflection & Discussion

1. Peter explains the *blessings* believers experience as they grow:
 - a. What other Scriptures confirm this truth?
 - b. Why is it important for believers to *consistently, constantly* grow in their faith?
 - c. What are the dangers to *spiritual stagnation*?
2. Have an open discussion regarding verses 3 through 11: What would your *subtitle* be to this section? What’s the Lord’s desire for every believer? How are we to attain spiritual maturity?...
