Reflection & Discussion

1. Peter’s warning to believers is “false teachers are coming!”
 - a. What other passages in the Bible warn Christians of this?
 - b. How is a believer able to recognize a false teacher?
 - c. What Scriptures offer instruction on how we deal with false teachers?

2. Peter identifies himself as a “servant”
 - a. How is that term defined biblically?
 - b. Jesus’ instruction is that we be *servants* just like He was: what does that mean?
 - c. Practically, how do you achieve *biblical servanthood*?

3. Have an open discussion about the terms “grace” and “peace” (what do they mean biblically? Why do we need to experience God’s grace before we can experience His peace? ...etc.)
