“The Biblical Call To Vote”

Reflection & Discussion

1. Why does God desire Christians to be *actively engaged* in their culture?
 - a. What Bible passages affirm this?
 - b. Have an open discussion about a Christian’s civic engagement: Is there such a thing as *going to far*? Should a Christian run for office? What do you do when a fellow Christian says ‘I don’t vote’ or they take a position that seems overtly unbiblical? ...etc.
